The Passing Rates of 12 Subjects Are Higher Than Those of Day School Average in the HKCEE (2008-2009)

The HKCEE result is released today and St Bonaventure F.5 students’ results show significant improvement! The average passing rate is 84.8% and the passing rates of twelve subjects are higher than those of day school average. The passing rates of the core three subjects are (SBC/ Day School Average) : **English (73.2% /69.1%)**, **Mathematics (80.8% / 75.6%)**, **Chinese (82.0% / 74.6%)**. The passing rates of seven other subjects are : **Economics (96.4% / 75.5%)**, **History (79.1% / 78.0%)**, **Geography (84.1% / 77.0%)**, **Chemistry (86.1% / 82.0%)**, **Biology (94.2% / 83.5%)**, **Principles of Account (83.8% / 74.6%)**, **Commerce (97.3% / 62.0%)**, **Computer (79% / 71.5%)**, **PTH (100% / 74.7%)**.

The number of credits is 321 and **65 students** have got more than 14 points or more from best 6 subjects. 10 students have got more than 20 points.

The students’ good results are attributed to the hard work of both the students and the teachers. Congratulations and I wish all our F.5 students every success in the future.
