音樂科工作報告   2002~2003年度

1  Syllabus:
   1.1 The syllabuses for F.1 to F.3 had been roughly covered because of the tight time schedule after the class suspension for the outbreak of the SARS.
   1.2 The syllabus for F.4 had just been covered roughly except the last topic because of the tight time schedule after the class suspension for the outbreak of the SARS and also because there was only ONE lesson per cycle in F.4.
   1.3 The syllabus for F.5 had been completely covered.
   1.4 Besides F.4, all the notes and worksheets had been finished on time.

2  Projects:
   2.1 F.1 students had finished the project of “Musical Instrument Drawing” as scheduled.
   2.2 F.2 students had finished the project of “Self-made Musical Instruments” as scheduled.
   2.3 F.3 students had finished the project of “Mini Concert” as scheduled.
   2.4 The project of “Music/Song Analysis” for F.4 students had been accomplished.
   2.5 F.5 students had finished the project of “Music Programme for the Graduation Day”.

3  Extra-curricular Activities:
   3.1 School Band had its own regular practice and performance throughout this academic year. Besides, awards or achievements were gained throughout the this academic year as usual.
   3.2 There were 40 members, ranging from F.1 to F.6 students, in the School Choir. It had performed in Prize-giving Day, whereas the performance in the Graduation Day had been cancelled due to the outbreak of the SARS.
